4. STATUTORY INFORMATION

Collective Investment Schemes in Securities (unit trusts) are generally medium- to long-term investments. Past performance is no indication of future growth. It is important that you are prepared for some shorter-term fluctuations as your investment moves in line with the markets. Fluctuations or movements in exchange rates may cause the value of underlying international investments to go up or down. Unit trusts may engage in scrip lending and may borrow up to 10% of the market value of the portfolio to bridge insufficient liquidity. An upfront charge for broker commission (0%-3.42% of the investment amount) is deducted prior to the purchase of units. An annual service fee of 0.57% is calculated on the market value of the fund's assets (excluding income and permissible deductions) and deducted from the portfolio on a monthly basis. Unit trust prices are calculated on a net asset value (NAV) basis, which is the total market value of all assets in the portfolio including any income accrual and less any permissible deductions from the portfolio, divided by the number of units in issue. Permissible deductions may include compulsory and bank charges, brokerage, marketable securities tax, other taxes and levies, custodian and trustees' fees and audit fees. Commission and incentives may be paid by Community Growth Management Company Ltd. (COMANCO) and if so, are included in the overall costs. Each fund's total expense ratio (TER) reflects the percentage of the average Net Asset Value of each portfolio that was incurred as charges, levies and fees related to the management of the portfolio. A higher TER ratio does not necessarily imply a poor return, nor does a low TER imply a good return. The current TER cannot be regarded as an indication of future TERs. You can easily sell your investment at the ruling price of the day (calculated at 15h00 on a forward pricing basis). Instructions must reach COMANCO before 15h00 (13h00 for the Community Growth Money Market Fund) to ensure a same-day value. The Community Growth Money Market Fund unit price is static and interest is declared daily at 13h00 and paid monthly. The Trustee of the funds is: The Standard Bank of South Africa Limited, PO Box 54, Cape Town 8000.
